With MOM

7-8:30am Friday, May 12
CDC Front Lobby

**Congratulations to all of our staff who are celebrating
anniversaries this month!!!**

Ms. Kendra- 1 year
Ms. Megan- 2 years

May Employee of the Month

Congratulations to Ms. Tracie for being named May's Employee of the Month! Ms. Tracie is such a hard worker. She is always willing to go the extra mile. She loves our children well and is attentive to their changing, and sometimes challenging, needs. She communicates and teams well with parents. She is an asset to our center!

Infants

April was all about Spring! God gives us so many wonderful new things in Spring!

We had fun learning about day and night, and the sun, moon and stars, too! We loved the Easter Egg hunt and had loads of fun rolling, shaking and collecting eggs.

We have been practicing sitting up, rolling over, scooting, crawling, pulling up. We have been so very busy!

Throughout May we will talk about the coming Summer season. We get to do fun things in the summer! Summer means swimming and popsicles, fireworks and watermelon!

Please bring sunscreen and a hat for us to use when we go outside.

Also, please be sure to check your child's pocket in the notebook each day for any important information.

Crawlers

April was so much fun as we celebrated Easter! We painted crosses and Easter Eggs, we danced and we sang!

We have also been talking about friends. We are learning how to interact with friends and how to be a good friend. We also had a fun time exploring the beach!

May will be a time of talking about places we can go. We will pretend to go to the beach, and the circus, too!

Please be sure to bring sunscreen for us to apply before going outside. We want to stay safe in the sun and we love going outside to play!

Also, please be sure to have an extra outfit or two at school for the days that get extra messy.

Young Toddlers

In April we celebrated Jesus and talked about His resurrection. We explored Spring, birds, butterflies and bugs. We have done so many fun painting and gluing activities. It's so much fun to do art with these sweet little friends.

During May, we will explore the pond, space and weather. We will also celebrate our moms!

We are excited to get to share a special Mother's Day gift.

Please be sure to have a change of clothes that are appropriate for the warmer weather at school.

Older Toddlers

April was so much fun as we learned about Noah. We explored condensed milk, oatmeal and pinecones, deer corn, birdseed, flour, salt and confectioners' sugar! We used the signs for flower, garden and play.

In May we will have fun learning about Jonah and Daniel. We love exploring through sensory play and will continue to explore so many different mediums.

We are working on a special Mother's Day project. You are sure to love it!

Please be sure to apply sunscreen each morning and bring sunscreen for us to reapply in the afternoon.

Also, we need to have at least one full change of clothes on hand at school.

Twos

We explored our five senses, learned about many different types of transportation and had fun pretending to play in April showers!

May will be all about May flowers, how our families are different, zoo animals and community helpers. We are going to talk about how much Jesus loves each of us so much. He loves our families and our friends and He even loves us when we aren't at our best!

Please be certain to apply sunscreen every morning and bring a family picture for a special project this month.

Early Preschool

Last month we talked about all the wonderful things God made and celebrated Jesus' resurrection. We had so much fun at the Easter Egg hunt!

This month will be all about Spring. So many new things happen in Spring!

Please be sure there is a weather appropriate change of clothes at school. Also, remember that closed toed tennis shoes are best for school! If you haven't brought sunscreen for us to apply each afternoon, please do so.

Preschool

Thank you, families, for supporting our Easter events! We had fun! Thank you for all you do!

Last month we learned about changes in the weather. God cares for us in all kinds of weather. We also learned about so many different kinds of pets and how to care for them.

This month we will learn all about farms and animals! We will talk about farmers and what they do, farm animals, farm equipment, pets, zoo animals and wild animals. It is going to be a busy month, for sure!

We are working on a special gift for our moms and will continue practicing scissor skills, letters and numbers, too!

Please don't forget to apply sunscreen every morning and bring sunscreen for us to reapply in the afternoon. We want to stay safe in the sun!

Also, please be certain that your child has a weather appropriate change on clothes at school each day.

Pre-Kindergarten

We had a wonderful time celebrating Easter and doing so many fun Spring Activities. The Easter Egg Hunt and Family Worship were great! Thank you for your help in making these events possible!

We will continue learning and reviewing blends and one vowel words. We will start learning opposites and number words. You wouldn't believe how much we have learned this year!

We are going to talk about bugs and animals this month. It's sure to be a blast!

The weather is warming so quickly! Be sure to apply sunscreen each morning and bring sunscreen for us to reapply each afternoon.

We are very busy preparing for graduation. It's hard to believe, but it will be here before we know it!

Happy Mother's Day

Half-Day Preschool

Our Easter Celebration was such a memorable event! It was a wonderful way to begin our Spring Break.

We ended our month with our Pets unit. We have had so much fun learning about pets!

Throughout May, we will transition from learning about pets to learning about life on the farm.

We continue to review colors, days of the week and months of the year. We are learning to spell our names and even to identify the letters in our names.

Please be sure to apply sunscreen each morning before school and wear closed toed shoes to enable safe playground play. We will celebrate the end of the school year with Water Play on June 9!

Half-Day Pre-K

April, especially Easter, was awesome! We enjoyed learning about our beautiful world! We spent time learning about ways to help take care of it. We made Easter Bonnets and enjoyed having our families worship with us for Easter.

In May, we will learn about pets, wild animals, ocean and pond life. Bible time will bring stories about David and his sheep, Noah and his ark.

Please remember to apply sunscreen before school each morning!

May 12 will be show & tell and pet parade, so bring your favorite stuffed animal. Also, please bring a child-sized shoe box by May 12. We will celebrate the end of the school year with Water Play on June 9!

School Age

We visited Not Just Franks over Spring Break. It was a blast! We learned the history of the pretzel & how it can be used to represent the Trinity. We have also discussed how we can know God and trust Him. We are talking about ways we can become more like Him.

Throughout May, we will learn how to be a good example as we model Christ-like behavior (Philippians 1:27). We will challenge one another to accept discipline (Proverbs 22:6) to correct our sinful nature.

Be sure to check out our photo bulletin board of class activities and trips. We will begin adding photos soon and will continue to do so throughout the rest of the year!

Pre-K Graduation will be:

Thursday, June 8th at
7 PM in the CORE

**We are looking
forward to this
special event!**
