

Half-Day Pre-K

In October we learned all about Fall, one of the 4 seasons! We talked about the importance of being kind. We studied the stories of the Good Samaritan and Ruth. We even made grain by crushing oats with rocks! We also visited the Taylor Glen Retirement Village and had such a great time!

We are continuing to learn so many letters, sight words and math concepts, too! We will spend time in November talking about God's plan for families and how thankful we are for our families.

Remember to dress warmly each day as we will go outside, even when it's chilly. Don't forget to bring a potato by 11/14/2015 for a Thanksgiving project. We will hold a special Thanksgiving celebration on Tuesday, November 20 so keep an eye out for the details of that day.

School-Age

October certainly did fly by! We have enjoyed getting to know one another very well in After School. We so enjoy our time together! Our favorite memory from October took place on one of our school closing days. We transformed our classroom into our very own coffee shop! The students worked for hours to open this make believe coffee shop.

November will be all about being thankful and finding ways to show we are thankful. We will be studying through the books of Samuel, Kings & Chronicles. Fall is such an exciting time! Please be sure to send a jacket each day as we will go outside when it is at all possible.

As cold & flu season is upon us, please be certain that your child is immediately washing their hands upon entering the classroom. If you intend to visit in the classroom, please wash your hands as well.

As a reminder, our sick policy states that a child must be fever and/or symptom free for 24 hours before returning to the Center. It is always our goal to ensure healthy and safe classrooms for all of the children we care for. For that reason, it is imperative that our sick policy be implemented and adhered to by all families.

Please be sure there is at least one complete change of weather appropriate clothing in your child's cubby/backpack each day.

Pitts Baptist CDC News

November 2018 Edition

Dates to Remember

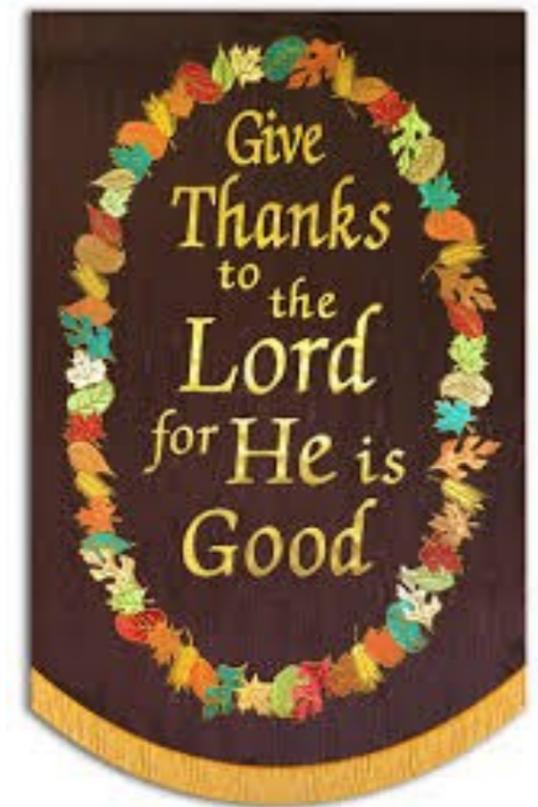

November 22 & 23
Center closed for Thanksgiving

December 10; 6:30pm
Christmas Program

December 14
Christmas Parties

December 24 & 25
Center closed for Christmas

January 1
Center closed for New Year's

Thank you to all the parents and family members that participated in our Costume Parade and Parties. The children had an amazing time and we couldn't have done it without your support!

Congratulations to our staff members who are celebrating anniversaries this month!!

Ms. Jackie- 1 year

Infants

We've had such fun talking about and experiencing our first Fall! We talked about how the weather was going to change and have certainly felt that during our outdoor time each day. We had a great time exploring what's inside a pumpkin also talked about different modes of transportation.

Throughout November, we will continue to practice using our signs, learn some new stretches and yoga activities. We also very much look forward to participating in Children's Worship with the big kids each Friday!

We are growing so fast! Please be sure the extra clothes that stay at school are size and weather appropriate. Also, don't forget to label bottles with first names, last names and date, each day. Be sure to check your child's folder pocket as we put very important information there for you.

We are excited to prepare for Thanksgiving! We will learn about giving thanks to God for all that He gives us.

Crawlers

October was great fun as we enjoyed the cooler weather and talked about all things Fall. We painted pumpkins, rolled pumpkins, sang pumpkin songs, crawled through leaves and even pretended to fall like leaves!

November will be all about giving thanks, with a little turkey fun on the side! We will talk about how God gives us everything we need and it's our job to thank Him for doing so. We will thank Him with our words and prayers and even with our songs!

Young Toddlers

In October, we learned all about Fall! We have loved our outside time and the cooler weather.

November will be all about colors and shapes for our toddlers! We plan to color and paint, and explore galore! Additionally, we are practicing our use of words and signs, especially, "please" and "thank you."

Please be certain to wash your hands and your child's hands each morning upon entering our classroom. We want to stay as healthy as possible!

Older Toddlers

October was so much fun! We made play dough together, explored leaves and sorted pom poms! We learned a fun pumpkin song and sang about the leaves as we walked from place to place.

Throughout November we will explore and talk about how we use our senses to learn so many things! We will talk about how thankful we are. God has blessed us!

Please be sure to send warm clothes and jackets, even hats, when needed. We will continue to play outside each day, even on the chilly days as long as everyone is able to play and have fun!

Early Preschool A

Last month we learned all about being part of a family! We talked about David's family and how he helped his family. We practiced using the sign, "please," and had great fun exploring a pumpkin!

Throughout November, we will place an emphasis on giving thanks for all we have. God has blessed us with so much. We are also looking forward to exploring pumpkin slime, creating and watching a pumpkin volcano and having a pretend Thanksgiving feast with friends. We will focus on colors, shapes and the letter Bb. We will introduce the signs to say, "yes" and "no."

Please be sure the clothes in your child's cubby are size and weather appropriate. All our friends are growing so fast!

Early Preschool B

We love Science! We had a blast doing STEM Jr experiments with the Little Tikes Tornado Tower! We have been diligently learning about letters and numbers. We can each tell you what our first name begins with. We talked about our strong God, how God loves us and what we are thankful for.

We are looking forward to creating art that shows things we are thankful for. We will talk about how God gives us joy and how we can make Him happy.

We will focus on letters Cc & Dd, the color brown and the shape of a rectangle.

Please bring a jacket for the chilly days as we will continue to play outside each day.

Preschool

October was surely packed with fun and learning as we explored and learned about apples, farming and pumpkins, galore! We really loved singing Old MacDonald using our animal basket and even created some stone soup.

November will be all about leaves & turkeys! We will also spend time talking about what we are thankful for and how we can show thanks. We will study F, G & H, continue to practice using scissors and introduce new signs to our sign language vocabulary.

We will continue to play outdoors as the weather gets cooler, so please be sure there are warm clothes and a jacket, when needed.

Pre-K

October was so much fun as we kicked it off by visiting the Pumpkin Patch! We talked all about Fall and God's wonderful Fall gifts.

In November we will focus on letters Jj, Kk, Ll and Mm. We will also introduce the remaining members of the teen family. We have such a blast learning through fun and games! We will also begin recognizing which number is larger. We will learn through the themes of transportation, Thanksgiving (we are so thankful for you!) and the sun, moon & stars.

The sun will set a little earlier now, so please remember warm changes of clothes and jackets so that we are able to comfortably play outside each morning and afternoon!
