

Pre-Kindergarten B

We all enjoyed October as we celebrated the coming of fall and learned all about farm animals. We learned about rhyming words, letter/sound recognition of letters A-F and the numbers 1-10. We talked about Moses, who is one of our very favorite Bible characters! We had so much fun at the costume dance and party!

The month ahead will be full of learning & fun as we talk about the letters G, H, I and J and the numbers 11-20. We will continue practicing rhyming words and using our imaginations to create fun stories. We will also learn about Esther, Joshua and Joseph.

Please be sure to send in a weather appropriate change of clothes to have on hand at school.

School Age A (K-2)

We had a great time celebrating the coming of fall and the costume dance party was a huge hit. Everyone definitely had lots of fun showing off their dance moves! Thank you for all of the yummy party treats.

Our school agers are being such troopers as we continue with virtual learning. As we see where some students need a little extra practice with skills, we are able to work with them during their spare time.

November will be all about having a grateful heart and we will play some fun Thanksgiving games.

Please be sure computers are charged every night and backpacks are packed with all your child's necessary supplies, including headphones, each day.

School Age B (2-5)

October brought with it another new school schedule. There has been lots of excitement as many students are meeting their teachers & friends face to face. As always, our students have made this transition like champs!

We are well on our way through the book of Acts. We have been learning how the early church is exploding in the midst of persecution. In the upcoming month, we will continue our journey through Acts and continue to see how God works to advance his kingdom!

As school continues both virtually and face to face, please reach out with any questions or concerns as we work together to best serve your child and family.

Young Infants

We had so much fun rolling and painting pumpkins in October. We have also loved getting to know our new friends! We are excited to celebrate our first Thanksgiving together. We are so thankful for each little friend!

Please send a little jacket to school so we can go outside when the weather is nice.

Older Infants

We have had great time doing so many different things this last month. We have participated in many self led, as well as many teacher led, activities. We created some splat paintings, we created art with popsicle sticks, we rolled cars up & down the ramp and we played musical instruments. We have also enjoyed our outside play time with the beautiful fall weather. We created a beautiful friendship quilt that is displayed on our classroom wall.

This month we will practice using our spoons at mealtimes and continuing to use prayer hands and say "amen!" at appropriate times. We are excited to celebrate Thanksgiving together and are looking forward to making a family tree, too! Please keep us updated on your child's feeding schedule and be sure we have warm clothes to go outside. Going outside really is our favorite!

Young Toddlers

October was super fun as we are learning to use so many words and we are learning to do more and more all by ourselves! We love singing and dancing, reading books and painting.

We are looking forward to creating little turkeys this month as we prepare to celebrate Thanksgiving.

Older Toddlers

October was so much fun as we learned about fall! Our favorite fall activity was crunching the leaves. We are learning our colors, how to use our spoons all by ourselves and how to walk on the rope like big kids.

We are super excited for the fun food and turkeys November brings!

Early Preschool B

The beginning of fall was so much fun in Early Preschool. We loved exploring apples & pumpkins and all things fall. We have also enjoyed the beautiful fall weather and love going on nature walks to see what things we can see.

We had a great time at the costume party and really liked the cool lights. We are looking forward to preparing for thanksgiving, so November will be all about turkeys and giving thanks to God!

As the weather is getting cooler, please send a hat and pair of gloves in that could stay at school.

Preschool A

October was fabulous as we had so much fun exploring apples & pumpkins. We also started focusing on learning all about letters. We have especially enjoyed the letter songs. We learn a new song each week that matches the letter of the week and we sing it often throughout our days.

Throughout November we will discover fall, explore turkeys and learn all about Thanksgiving. We will talk about all we are thankful for and will focus on the letters C, D, E and F.

If you haven't already sent in family pictures, please send those in with your child or email them (hfalkowski@pbcweb.org).

Preschool B

October was great fun in Preschool B as we talked about ourselves & told our friends about our families. We celebrated the coming of fall by exploring pumpkins & apples. We also loved counting down to Halloween. We learned all about Samuel & David, explored the letters A & B and are learning to identify and write our names.

This coming month, we will continue to explore letters and our names. We will prepare for Thanksgiving by talking about all that we are thankful for. Also, we will continue learning about David.

Please remember to send jackets and extra clothes to school each day.

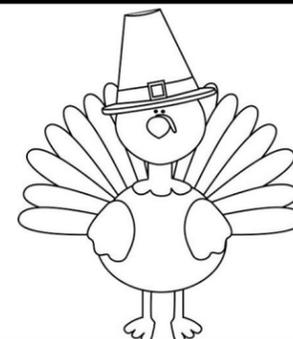

Pre-Kindergarten A

The costume dance party was so much fun! Thank you for the yummy treats you sent for our party. Everyone is working hard to write their names and also to grasp a pencil/marker correctly.

This month is full of fun plans! We will learn about opposites and play some fun opposites games. We will be exploring the letters I, J & K. We are going to talk about good sportsmanship and practice showing good sportsmanship by playing games like Sorry, Trouble, Go Fish & Tic Tac Toe.

November 13 will be wear your favorite team jersey or shirt day!

We are excited to get ready for Thanksgiving!

CLOSED FOR THANKSGIVING
November 26 & 27, 2020
